Gwinnett Beer Tours

Sippin' in the Suburbs Brewery Tours

There will be two tours offered each month for you to attend. The second Saturday of every month is a bus tour that takes you to three different breweries. At each stop you will be able to taste a beer of your choosing and enjoy the laid back atmosphere. At one of the three breweries you will get to experience a behind the scenes tour of how their beer is made. This is your chance to ask any questions about the process. The fourth Saturday of every month will be a walking tour in downtown Lawrenceville. We will visit Slow Pour Brewing, Ironshield Brewing and Exhibit Ale. Your behind the scenes tour will take place at Ironshield. Both tours are unique and offer a chance for you to explore our Gwinnett breweries. exploregwinnett.org/sippinthesuburbs

Best Burgers in Gwinnett

Take some time this month to visit some of our favorite locally owned restaurants for an unforgettable burger. If you're a pimento cheese lover try Local Republic's Mr. Jones burger or the 1910 Public House Burger at 1910 PH in Lilburn. If you're craving something sweet AND savory plan on a trip to Parma Tavern (Buford) for the Krispy Kreme Burger. Yes, you read that right. A juicy burger patty sandwiched between two classic Krispy Kreme doughnuts. If you're celebrating a special occasion you may opt for the fried onions and pepper jack cheese on the Durango Burger at Firebirds Wood Fired Grill in Peachtree Corners. If you have a hankering for more of a classic burger then add the Three Blind Mice (Lilburn) TBM Burger to your list. Want a place that offers more unique burger options than you can count? Stop by Universal Joint (Lawrenceville) or Over the Top Burger Bar (Buford) for numerous memorable burgers that will have you coming back for more. Now we just have one question...do you want fries with that?
